THE CHRONICLE LIVES

Welcome to the September issue.

I have been invited to produce this issue for September, and I am informed that Simon and Helen Dowling will be producing the October issue, but please still take anything to be included to Gordon and Caroline at 2 Church Row.

This would probably be a good time to thank G&C for all their efforts over the last 5 years, and I hope they enjoyed the little 'bash' layed on in their honour on September 4th.

Until a permanent Editor takes over the running of the Chronicle, probably towards the end of next year, volunteers are still needed to do one copy (or more if they prefer) until that time.

If you fancy having a go, please contact G or C (681373).

Also needed for future editions are articles and contributions from you, yes you. Let's have your humorous stories, jokes, Holiday ideas (and disasters), Handy hints, Gardening tips, Crosswords, Recipes. Tell us about your job or a hobby that might interest other people. Don't just sit there, get writing. Remember that your article can appear without putting you name to it (but the Editor has to know).

I know it's only September and Christmas seems a long way off, but preparations are already under way for the 18th Annual Christmas Show on 9th & 10th Dec. If you feel you would like to be a part of it in any way (writing, acting, singing, dancing etc.) please contact Chesh on 681201.

Last Months winning number was 13,496.

Hope you enjoy your read and may I be the first to wish you all a very

Chris

FETE 1994

The weather was kind to us: we had a sunny day, but with a pleasant breeze - all in all, just the kind of day to encourage people to linger on the Green. It was a real pleasure to have Shirley Ford open the proceedings, which she did with some panache. All the stallholders were kept busy, and in the Church Room heroic feats were performed. So successful were the teas that through the afternoon 700 scones were eaten. I shall not name names - if I were to try this report would stretch to several pages - but on behalf of the fete committee I would like to thank everyone who helped through baking, giving, collecting, running stalls, selling tickets, washing up, providing straw bales, entertaining children, setting up and taking down, displaying cars, or coming and buying things. Thanks to all of these contributions we had a successful year financially. Also, I believe the general feeling was that this was a very enjoyable fete, and a happy day to remember (for everyone except the the Royal Oak tug-of-war team!)

Net proceeds for the day totalled £1,307.93, which has been distributed as follows: St James' Church £392.48; Church Room £261.59; Methodist Church £261.59; Recreation Ground £196.19; Chronicle £130.79; Toddlers Group £65.39.

CHURCH NEWS

Since the last issue of the Chronicle we have had 2 busy months (July) with St. James Festival, and (August) the Bank Holiday weekend with the Flower Festival, stalls, crafts and the opening of the village circular walk.

Thank you to all the people who sponsored the festivals, gave prizes, helped man stalls, lunches/teas, car parking, or helped with the flower arrangements or in any other way, it was all appreciated and created a lovely atmosphere.

Our Bank Holiday weekend raised £886 towards new guttering and downpipes for St. James, and a donation to RWANDA.

We are also filling a cake can with odd monies for Rwanda. If you would like to help, the vicar would be pleased to advise you how.

To the four walkers who completed the Aylesbury Ring (a walk of some 31 miles) on July 9th. They did it in 14 hours. The question now being asked is, will it become an annual event? The answer is almost certainly yes, so watch this space towards the middle of next year if you think you might be interested .

PARISH COUNCIL NOTES

Meeting on 1st July

Matters arising: Brenda Jennings (County councillor) said she would try to obtain a Kill Your Speed sign free of charge. She would also tell the County Council of complaints about the early bus to Aylesbury (the one used by schoolchildren and the public) speeding in the 30mph area.

Planning applications: agricultural building at Oak Farm, no comment from Parish Council; field shelter, off Weedon Road, no comment; kennels at Bridge Farm (near Rowsham), Parish Council expressed concern about noise nuisance to nearby residents. Continued use of mobile homes at Oak Farm had been granted by Aylesbury Vale District Council.

Accounts: Street light repairs, £29.08; electricity, £51.32. The books had now been audited.

Local Government Review: the Local Government Commission had presented three options (also widely circulated to the public). The Parish Council would write to reaffirm its view that retaining both County and District Councils (with the exception of Milton Keynes, which should be on its own) would be best for this area. [We think that the County Council on its own would be too large, and the District too small.]

Correspondence: a letter regarding a "Save Our Post Office" campaign had been received and would be printed in the Chronicle. [We now understand that the proposals to privatize aspects of the service have changed, so the letter is not being printed; contact Jim Reading at Aylesbury Sorting Office, 2 St John's Road, Aylesbury, tel. 0296 89450, for details.]

Benefits bus: this advice service, run by Bucks County Council, would be starting in September or October, visiting Wing on the second Thursday of the month.

Bucks County Council had suggested putting a new sign Weedon on the corner opposite the shop to discourage traffic going round the back of The Green when there are diversions because of accidents on the main road. [Following a site meeting with the Chairman and Clerk, this was agreed.]

19th August

Matters arising: Kill Your Speed signs were not to be had free, so three were ordered at a max. of £50 each. A request for the 30mph speed limit area to be extended to include all of Moat Lane and Lines Hill had been rejected because development is not continuous along the route and there is no accident/injury record there.

Planning applications: Conversion of barn to dwelling at Norduck Farm, Parish Council objected to development in area of attractive landscape. No comment on agricultural building at Red Barn Farm. These now go to AVDC for decision.

Accounts: Wingrave Playscheme, £55; electricity, £19.18; accountants, £102; Playing Fields Association, £61 (safety inspection at the Rec.). Decided to close the Rec's current account and move the money into Rec's deposit account. £196.19 was received for the Rec from Fete Committee.

Next meeting: Friday 23rd September, 8pm, Church Room

RECTOR'S REPORT

Instead of my usual Report, I invite you to join me in helping to ease the desperate plight of the people of Rwanda.

Jesus said: "Whatever you do for the least of my brothers, you do for me".

Bob Willmott.

RWANDANS DYING FOR A DRINK

1. Buy a can of drink
2. Enjoy contents
3. Rinse out can (for hygiene reasons)
4. Remember Rwandans can do none of these things
5. Put 40p in can -if soft drink - at least 80p if alcoholic
6. Add 10p for rinsing water
7. Devise a Tariff: e.g.
Water 1p
Tea/Coffee 5p
'Nightcap' 20p
with ice add 1p
8. Place can in prominent position in kitchen e.g near tap
9. Insert appropriate fee when you have a drink
10. Invite visitors to contribute - and maybe join scheme

p.s. The Rwandans also have a problem with sanitation - how about a second can in the toilet for when you spend a penny?

The scheme will end on Sunday 30th October.

Organised by the Church in
Wingrave, Aston Abbotts & Cublington
All proceeds will be sent to
RWANDA via Christian Aid

1st Wingrave Brownies

The Brownies began the term well by welcoming Jose Ricketts who joined us as Tawny Owl and is training to be a Guider. Our big event of the term was the pack holiday at Ellesborough which although very wet was great fun.

After the Pack Holiday we sadly said Goodbye to Brown Owl, Mary Gomm, who restarted the Wingrave pack in 1991. Many of the first Brownies came back to join in with us for a special thank you meeting. We all appreciate the work and time needed to start up and run a new pack. Mary has passed on a full, lively and enthusiastic pack.

As part of the Safety in the Home badge we visited Aylesbury Fire Station where we learnt much and had some laughs. I have learnt that it is not safe to stand near a Brownie with a fire hose in her hand!

At the beginning of July we were invited to Wing District for a challenge, barbecue and campfire sing. We were very delighted to come home with the challenge shield. The Brownies are now working hard to see if they can add the pack trophy from The Summer Show to their collection.

A Brownie Swim took place towards the end of term when, as well as much noise and splash, nine girls passed their Swimmer badge and one her Photographer badge.

Now that we have a mature pack with girls leaving as they reach eleven, the waiting list is beginning to sort itself out. If you would like to put your daughter's name on the list please let me know.

If any adult would be interested in helping with the Brownies either on an occasional basis or on a more committed basis by joining the team please let me know. There is still more work to be done. I know there are several of the older Brownies who would like to see Guides in Wingrave.

All in the comfort of your own home

Black holes are scary
Largest holes are even scarier
Animals live in black holes
Creatures in there
Keep away from black holes
Help! you'll scream when
you fall in
Once you fall in you'll
Never get out
Like pits they are deep
Even if you're tall you
won't get out
So watch out for black-
holes
