Parish Magazine for Aston Abbotts

MAY 1995

No. 137.

Welcome to the May edition of the Chronicle. May, I think, is one of the loveliest months of the year. Everything is fresh and green, birds singing, lambs in the fields, gardens planted and lawns mown. We are lucky indeed to live in such tranquil surroundings, so let us remember and be thankful as we commemorate in our own way the 50th anniversary of VE day on May 8th.

*Margaret Kent.*

Good luck to next months Editor?

## PEOPLE

### MR. BOOTHMAN.

We were very sorry to learn of the death of Mr. Frank Boothman. In his earlier years, he could be seen in various parts of the village painting his wonderful pictures. I bet there are not many houses in the village that don't have one of his pictures in. Our thoughts go out to his family.

LOOK OUT, LOOK OUT, THERE'S A BADGER ABOUT.

### CABARET

It has been confirmed that the Cabaret raised £322-70, which goes to the Chronicle funds.

### IVY & GEORGE BRANDON

Would like to like to thank their family, friends and neighbours for all the cards, flowers and gifts received on their 60th Wedding Anniversary, and George would like to thank his grandchildren for the Microlight trip they had arranged for his 84th birthday (he was seen flying over the village on the 9th April) Actually, I don't remember seeing him since.

# FETE

## VILLAGE FETE

I am sorry to say that there have been no further volunteers to serve on the fete committee, or to chair the committee.

We have booked a Silver Band for the day of the fete, and if are not to be able to go ahead, I would like to be able to give the band as much notice as possible. I think therefore that unless more volunteers come forward, and in particular unless we have a volunteer to take main responsibility for the fete, I shall cancel the band on May 10th, and we will then have to assume that there will be no fete this year.

I would still be delighted to hear (681373) if anyone would be willing to take responsibility for the fete. There are many people offering to help on the day; you would not be abandoned to do everything yourself!

## YEARS GONE BY

Aston Abbotts had a very good Cricket team in the past. The top picture, was taken around 1960, and the bottom one in 1951. The field where they played still called the Cricket field is the first one on the right up Norduck Road. Every August Bank Holiday Monday a team came from London to play, they thought it was an idyllic setting. After every home match, the two teams had their tea in the Bull & Butcher, where at that time Tommy Humphrey was the Landlord, and also baked the bread and cakes.

### CUBLINGTON TENNIS NEWS

There are two excellent tennis courts at Cublington, and if you want to play there all you have to do is contact the Tennis Section treasurer, Joan Waples, on 681194. Annual fee is £40 adults, £20 children or £65 family membership. For this you have free use of the courts. The Tennis Section organizes coaching for adults and children, and there is a twice-weekly members' session where you can just turn up and be sure of a game - all abilities welcome!

For the first time, Cublington entered teams in the Aylesbury League last autumn. We are just coming to the end of that season, in which Jean Barnett (ladies' captain), Caroline Lane and Alison Lewis from Aston Abbots all played for Cublington. Despite winning only one match, we have enjoyed some excellent tennis, improved a lot and are looking forward to a successful summer season. Do join us!

**A VERY VERY BELATED THANK YOU. (apologies to Jane)**

Thank you to everyone who participated in the carol singing around the village on Dec.21st. On a cold and blustery night everyone sung their hearts out, and raised over £80, a magnificent effort. Also thanks to everyone who gave so generously. The money has gone to the playcentre at Aylesbury New Lodge, for the homeless families of Aylesbury.

Thank you all,

## RECTOR'S REPORT

There are three important elements in the VE Celebrations this month.

The first is THANKSGIVING. Fifty years ago there was thanksgiving for deliverance from War. Now we need to give thanks for fifty years of Peace - and for the things that have been achieved because of that peace. There will always be those who will wonder whether the world has made real progress since 1945. There will always be those who have very sincere doubts about a United European Community. But, despite these misgivings, there is much for which we must truly be thankful.

If we find it difficult to think of much for which to give thanks, then, I suspect, we shall find it even harder to tackle the second theme of RECONCILIATION. Now I thought I knew what 'reconciliation' meant. But just to be on the safe side I checked with the dictionary. It means 'bringing back to friendship'. That is something that none of us find terribly easy. We can speak about 'forgive and forget', but it's harder to practice what we preach. At one stage in the history of the Jewish Nation in the Old Testament there was a "year of Jubilee". At the end of forty-nine years all debts were cancelled and the slate was wiped clean. Perhaps as we celebrate a half century of Peace in Europe, and later in the summer VJ Day, the time has come for us to spare a thought for Reconciliation. International friendship days seem to have the cold hand of apathy built in - maybe we should as individuals offer the warm hands and hearts of reconciliation more eagerly than we have sometimes done in the past.

But by far the most dangerous of the elements is that of HOPE. In the Service in St Paul's Cathedral, the section on Hope will be led by young people from all parts of the United Kingdom. Hope is always looking to the future. We know what has happened in the past. We know what is happening in today's world (both for good and ill). But it is to the future that we, together with the young, look in hope. Hope should be a positive thing - although far too often our hopes are expressed in terms of 'fingers crossed'. We hope things don't turn out too bad. Should we not be more positive and have high hopes for the next fifty years of peace in Europe? High hopes for the future of our families, our nation and our world?

Thanksgiving, Reconciliation and Hope, are elements in our Victory Celebrations - and maybe we should not just sweep them aside when the festivities are over.

Bob Willmott

## ADEC's FOOD and FARMING PROJECT

ADEC

This year Aylesbury Development Education Centre is focussing its work and resources on issues around food and farming in Aylesbury Vale and the world beyond.

Amongst other things we will be looking at different methods of food production around the world, the environmental impact of farming in various areas, food packaging and marketing and "food miles" - the true costs of long distance food transport. We are developing exhibitions and running discussion sessions for groups and schools.

If you are interested in any aspect of farming or would like to find out more about issues of food and farming, please join the debate and contact Pauline Roby at ADEC, Elmhurst Middle School, Dunsham Lane, Aylesbury, Bucks HP20 2DB (01296 395185).

# THE AYLESBURY RING

We shall be walking the Aylesbury Ring on June 24th. All are welcome, but be warned, you have got to be fit enough to do it. The walk is 31 miles long. 31 miles is a long way. We shall leave Aston at 5-55A.M. If all goes well we should be back in the village by 8-00P.M. Last year we did the walk in perfect weather, which meant we did not need to take 'wet gear'. This year could be different. If rain is forecast, it means taking waterproof gear with us, and the only way to carry it is on your back.

If you seriously think you would like to do the walk, read on. The walk starts (for us) in Weedon. On footpaths, across fields mostly, we make our way to Rowsham, Hulcott, Pottenham, Buckland, Aston Clinton, Halton and Wendover. We have to walk through the middle of Wendover, which is a good chance to have a quick rest, and top up on drinks and eats.

From here we make our way to Ellesborough, Great Kimble, Kimblewick, and Ford. With luck the pub in Ford should still be open, which is a good chance to take on more fluid (careful on the alcohol). Dinton castle next, and a long stretch to Waddesdon. Last year we were fortunate to have a friend in Waddesdon who gave us buckets of cold water to bath our feet in. This year this friend has moved, so we may have to suffer. The last stretch, which also seems never ending, takes us to Hardwick, and finally back to Weedon. The last part is the 'luxury' of driving back to Aston, and feeling very, very chuffed at having done the Ring.

If you are are still reading, and fancy having a go, please give me, Chris, a ring on 681425, as we would like to know how many people may be interested, so we can start making arrangements for transport etc.

You will need a good set of feet, a lot of willpower, and probably a good sense of humour. Interested?

YOU TOO COULD BE A RINGER

## UNDER 11's - THE SEASON SO FAR

With sixteen of last year's squad no longer with us it's been a case of rebuilding this season, although it was pleasing to see seven of the old squad move up to the Under 13's. On the other hand it was disappointing that our two girl members could not move up because FA rules will not allow mixed teams in affiliated football. I would have thought mixed football up to 14 years old would be acceptable.

This season we have smaller squad of nineteen lads but still with a wide age span of 7 to 11 years.

Again is difficult to play the younger lads in competitive games against under 11 league teams - perhaps we need a nursery squad for 6 - 8 year olds.

Because of the rebuilding and the exceptional wet weather we have not played as many games as I would have liked.

Nevertheless, after the four games so far, the players are settling into their positions and the team is taking shape.

Both Dave Wheaton and myself are very pleased with the progress being made.

## UNDER 13s SUPPLEMENTARY CUP VICTORIES

WINGRAVE 5 V BANBURY VIKINGS 2 (11th March)

Banbury came to Wingrave confident of securing a place in the final, having convincingly beaten Steeple Claydon and KEA Bicester in league B of the supplementary cup. Any thoughts Banbury might have had of beating bottom club Wingrave were not to be however with the home team producing a shock result, coming out well deserved winners at 5-2. On target for Wingrave were Remi Williams (2), Danny Bayliss (2) and Lee Tattam.

STEEPLE CLAYDON 3 V WINGRAVE 5 (19th March)

Having been beaten twice in the league, 5-0 and 5-2, we knew we'd have our work cut out in the second of our cup outings. After going a goal down in the first 5 minutes we pulled back well to go in at half time 1-2 up. A very good spell by Claydon put them back in front 3-2 with 15 minutes to go and all looked lost. To their credit the Wingrave lads picked themselves up and with Remi Williams (2) and Danny Bayliss (3) finishing off in style the final score was Wingrave 5, Steeple Claydon 3!

## LEAGUE REPRESENTATIVES UPDATE

Following on from their success at Oxford, where Ben Clay (playing as captain) and Martin Kennedy were chosen to represent the Westcott and Cherwell League. Ben had the honour of scoring a critical goal against Witney, whilst Martin performed consistently well in the same game and was awarded man of the match. The game was played under floodlights at the Moreton Town Ground. After this win both players took part in the League's draw with Northampton.
